If a growling dog gets close to you, pretend to be a tree: stand still with your hands at your side. Allow the dog to sniff you and it will usually go away.

If a dog attacks, assume a position of a rock. Curl into a ball and protect your face and body.

Vaccinate Against Rabies
When you get a dog or cat, immediately consult a veterinarian or public health official for the recommended schedule of anti-rabies vaccination.

Consult the veterinarian about animal birth control methods to prevent unwanted puppies and kittens. Animal birth control will also keep your dogs and cats healthier and better behaved.
