<p>Thu. 12th</p>	<p>Fear of rabies leads to the inhumane culling of millions of dogs every year and doesn't stop #rabies. #WorldRabiesDay is the best time for educating and #BreakingBoundaries. International organizations such as GARC have used scientific data to show that culling is an ineffective means to eliminate rabies. Read GARC's position statement here https://hubs.ly/Q02BRWFD0 #WRD2024</p>	<p>Fear of rabies leads to the inhumane culling of millions of dogs every year and doesn't stop #rabies. #WorldRabiesDay is the best time for educating and #BreakingBoundaries.
