Data Entry

The screenshot displays the DHIS2 web dashboard interface. At the top, the browser address bar shows the URL <https://bulletin.rabiesalliance.org/dhis-web-dashboard-integration/index.action>. The dashboard header includes the 'dhis2' logo, the title 'Global Alliance for Rabies Control - Epidemiological Bulletin', and navigation links for 'Apps' and 'Profile'.

The main content area features a user profile for 'Vet Nigeria' with links to 'update profile!', 'Write feedback', and 'Share interpretation'. Below this are tabs for 'Profile', 'Messages', and 'Interpretations', along with a search bar for users, charts, maps, reports, and resources. A navigation bar shows country selection: 'Liberia', 'Niger', 'Nigeria' (selected), 'Republique Centrafricaine', and 'Repub'.

Two data visualization panels are visible, each displaying the message 'No values found for the current selection.'.

An 'Apps' drawer is open, showing a grid of application icons. A red arrow points to the 'Data Entry' icon, which is a brown box with a white 'X'. Other icons include 'Dashboard' (speedometer), 'Pivot Table' (calendar), 'Data Visualizer' (bar chart), 'GIS' (map), 'Reports' (pie chart), and 'Browser Cache Cleaner' (broom).

The screenshot shows a web browser window with the URL `https://bulletin.rabiesalliance.org/dhis-web-dashboard-integration/index.action`. The page header is a dark blue bar with the **dhis2** logo and the text "Global Alliance for Rabies Control - Epidemiological Bulletin". On the right side of the header, there are two icons: a grid icon labeled "Apps" and a user icon labeled "Profile". A large red arrow points to the "Profile" icon. Below the header, the user is identified as "Vet Nigeria (update profile!)" with links for "Write feedback" and "Share interpretation". A navigation bar contains tabs for "Profile", "Messages", and "Interpretations". Below this is a search bar with the placeholder text "Search for users, charts, maps, reports and resources" and a "Search" button. A horizontal menu shows country selections: "Add", "Manage", "Share", "<", ">", "Liberia", "Niger", "Nigeria" (selected), "Republique Centrafricaine", "Republique Democratique du Congo", "Sierra Leone", "Tchad", and "Togo". The main content area consists of two side-by-side panels, each with a header bar containing "Remove", "Get as image", "Share interpretation", "Explore", and "Resize" options. Both panels display the message "No values found for the current selection."

A user menu dropdown is open, displaying six options arranged in a 2x3 grid. Each option consists of an icon and a text label. The options are: Settings (wrench and screwdriver icon), Profile (green square with white person icon), Account (woman icon), Help (woman icon), Log out (power button icon), and About DHIS 2 (information icon). A large red arrow points directly at the 'Log out' option.
