Nominated by:

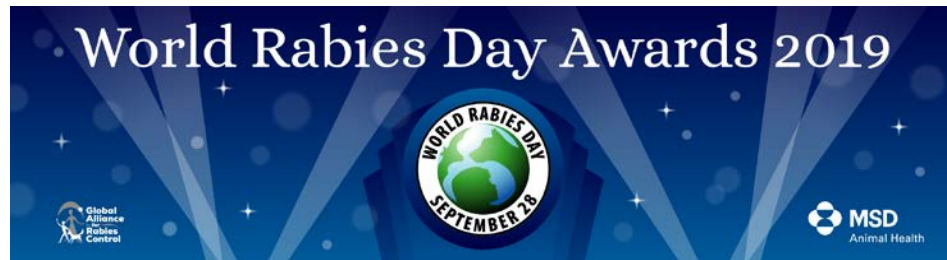

Person submitting the nomination:

- Title
- First name
- Surname
- Email
- Relationship to nominee organization

Background:

Please name the locations of the communities (e.g. names of the villages, towns, and/or cities) and the country benefitting from the nominee's activities.

How many people live in the community or communities that are benefiting from the nominee's work?

How long has the nominee been working in this field? (*You may mention dates for different programs over time if relevant*)

Projects and impact:

Please outline up to 3 projects/programs implemented by the nominee **to prevent rabies** in the community and the impact that these programs have had for the community (800-word max)

Please attach any relevant project reports/publications that you would like to share with the Awards judging panel.

Supporting information:

History of the nominee organisation (attach file)

Photo of organization staff

Add link if the organization is registered to accept foreign donations in their country and would like to promote donations to their cause through this link

If you would like to share a short smartphone video about the nominee's work and the community being helped, you can upload it here or provide a link to the video. (**Maximum of 2 videos, and a maximum of 2 minutes per video, please.**) If it isn't in English, if possible please also send a translation of the audio as a Word document from the Supporting stories link below.

Please note that we are not looking for professional videos, but you can share these links in addition as supporting information.

Please attach supporting stories, event photos, and any other information you would like to add to this nomination.
