

# Closing Remarks

GARC/WAP workshop

Franschhoek

25-26 October 2016

Prof Louis Nel, Executive Director

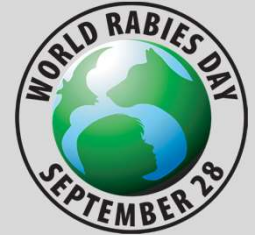

Please accept my sincere appreciation for your:

- presence at this meeting
- sincere intention to address the scourge of rabies
- willingness to work together towards the elimination of this disease

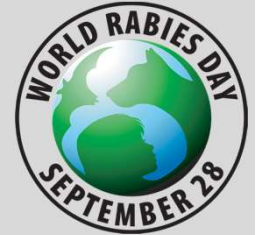

# You are rabies champions!

- ability and capacity to promote this cause
- professional responsibility

The workshops had been offered us much:

- Educational tools through the GEP
- WRD and ERN opportunities
- Exciting prospects for improved data through the African rabies bulletin
- Yielded firm outputs in terms of the SARE/BP

We are looking forward to working with you towards the promotion and execution of the strategies and next steps that you have identified in this process.

Sincere thanks to the:

- World Animal Protection
- Facilitators
- All participants

Very best wishes and bon voyage

Prof Louis Nel, Executive Director
