

#Weekday Toolkit for Rabies

DAYS	WEEKDAY HASHTAG	IMAGE	INFO/TEXT
MONDAY	#MondayMorning	1	Is the best time to start one of the free online courses provided by #GARC here https://rabiesalliance.org/capacity-building/gep
	#MotivationMonday	2	“Dog-mediated #rabies disproportionately affects rural and economically disadvantaged communities. By preventing rabies at its source, we can help protect those who lack access to effective rabies treatment.” Prof. Louis Nel, CEO of #GARC Strategic plan #Zeroby30 https://rabiesalliance.org/resource/zero-30-global-strategic-plan-end-human-deaths-dog-mediated-rabies-2030
	#MondayMotivation	Link preview	“Dog-mediated #rabies disproportionately affects rural and economically disadvantaged communities. By preventing rabies at its source, we can help protect those who lack access to effective rabies treatment.” Prof. Louis Nel, CEO of #GARC Strategic plan https://rabiesalliance.org/resource/zero-30-global-strategic-plan-end-human-deaths-dog-mediated-rabies-2030
	#BlueMonday	Link preview	There's no #BlueMonday here, the only #blue is in the #Blueprint and Stepwise Approach to #rabies elimination - find out more about this and how to use it here from #GARC https://rabiesalliance.org/capacity-building/blueprint-sare @rabiesalliance
TUESDAY	#TipTuesday	3	If bitten by a suspected rabid animal, wash the wound with soap & running water for 15 minutes then seek medical advice immediately #GARC https://rabiesalliance.org/resources/faqs
	#TravelTuesday	4	Going abroad? Rabies is found around the world, except Antarctica. @CDC Find out about your #rabies vaccinations https://wwwnc.cdc.gov/travel/diseases/rabies #GARC
WEDNESDAY	#WonderfulWednesday	5	A happy story about how the #rabies vaccine came to be https://youtu.be/BWqD4H_ExgI Thank you @NationalGeographic for the informative video #NationalGeographic #GARC
	#WonderfulWednesday	Video preview	Sharing with you this inspiring video from #GARC of Ilocos Norte's journey to becoming rabies-free! https://youtu.be/ft6kIC436Ok
	#WednesdayWisdom	6	“A rabid dog will always hate his friends.” — Anthony T. Hincks #quote #rabies #GARC
THURSDAY	#ThrowbackThursday	7	Imagery and information on #rabies in the past and #LouisPasteur http://americanhistory.si.edu/blog/2013/10/surviving-rabies-100-years-ago.html
	#TBT	8	To the whole history timeline of #rabies https://youtu.be/4MCXN7oH-Oc

FRIDAY	#Friyay , #FridayFun	9	And for the entire weekend – enjoy reading this #manga comic book and learn more about #rabies https://rabiesalliance.org/resource/rabies-manga-comic #GARC
	#FridayFact	10	Did you know that a 70% vaccination coverage in dog populations can prevent #rabies from spreading to humans? Find out more facts here @rabiesalliance #GARC https://rabiesalliance.org/resources/faqs
SATURDAY	#Caturday	11	Find out more about #rabies and #cats on this page by the #EuropeanAdvisoryBoardOnCatDiseases http://www.abcdcatsvets.org/rabies/
SUNDAY	#SundayFunday	12	For children to learn about #rabies interactively through this online game https://www.cdc.gov/rabiesandkids/ @CDC
	#SundayFunday	Preview from link	We thought we would share with you how rabies prevention can be made fun for children: #puppetshow! Read more here https://rabiesalliance.org/news/rabies-prevention-puppet-show-educates-more-school-children @rabiesalliance #GARC
